Students should not rely on these rates as an implicit or explicit representation or promise of future outcomes or employability following completion of a program of study. Indeed, there are numerous factors that affect a student's ability to graduate and secure employment over which the school has little or no control. Therefore, the school cannot and does not guarantee or estimate the likelihood of on-time completion, graduation, or employment for any student.

** This rate was calculated using the accrediting body's 2010 Annual Report. The institution's accrediting body is ACCSC (Accrediting Commission of Career Schools and Colleges).*
